# VOLUNTEER WITH US.

*INcontext International serves the Body of Christ by providing a Christian perspective on global news to encourage strategic mission involvement.*

---

**BELOW ARE THREE DEPARTMENTS YOU CAN VOLUNTEER WITH.**

## **1. COMMUNICATIONS**

**The Communication department produces all the content seen on our website and social media platforms.**

**Ways of involvement:**

### **1. Research**

- **Doing research** on specific in-depth stories and on topics related to countries or news events.
- **You can cover a region** and join our Monday EDG meetings. On a Monday we meet at 10:00 SA time to discuss a potential article topic to cover from the news. Prior to this each team member has a region in the world to cover and we select 2 stories that we feel led by God from our region to report on.

### **2. Writing**

- **Use your Gift for writing and volunteer to write articles** – we write a weekly article on a global event each week.
- **Write a Christian perspective:** If you see something happening within your country, that is in the news as well and have a Christian perspective on it along with prayer requests - to write something up and send it to us.
- **Putting together Infographics**
- **Making our resources available in a different language through translation.**

### **3. Videos & Audios**

- **Producing, editing or presenting videos for YouTube or reels**– Turn our articles into engaging videos or help us turn an experience into an informative video.
- **Design Thumbnails & catchy headings.**
- **Do Voice-overs**, be a voice for one of our videos or help ensure good quality sound.
- **Podcast:** Help in getting podcasts off the ground.

### **4. Social Media**

- **Help with our social media:** Writing social media posts and captions, social media strategy, Social Media Marketing.
- **Stay engaged:** Like, share and comment on our content

### **5. Maintenance**

**The Public and Church relations department shares the information we produce to churches, Christian Organisations and believers.**

### **Ways of involvement:**

#### **1. Relationship building:**

- Connecting us with the local church in the community where you're based
- Schedule time for appointments.

#### **2. Organising a speaking platform in your area or surrounding areas.**

- This could be in the form of a bible study group, sharing at your Church service, sharing at a man or ladies' breakfast or youth service or even a school or varsity. Organising a seminar or workshop, inviting us to speak at your local radio station etc.

#### **3. Assist by helping at a venue** where an INcontext member is presenting.

- This could take the form of assisting at a books table (Exhibition), welcoming guests, setting up marketing material like banners or distributing brochures/subscription forms and answering general questions about the ministry/point people in the right direction.

#### **4. Speaking on behalf of the ministry**

- Introducing people to who we are as a ministry and covering some of the topics we discuss. We can provide you with the necessary training.
